## Cultural Q&A Lunar New Year Quiz

### True or false?

1. You can't eat eggs during the first day of New Year. Other white foods such as tofu or rice are also to be avoided.
2. On New Year's Eve, you must stay awake until after midnight, or you might be trapped in the old year.
3. You must cut your hair as soon as possible in the New Year to make sure you have a fresh start.

# President's Message

Dear MCG valued members and friends,

Welcome to January – the month of new beginnings!

What a joy to let you know that so many exciting and eye-opening activities have been lined up to kick start the new year by members who gave their time and energy voluntarily. Do check your inbox and RSVP asap. Space is usually limited.

If you also wish to volunteer, please contact any of the committee members.

We are still urgently looking for members to fill in the two vacant positions: 1) Events Planning Convenor and 2) Explorers Convenor. You could be the person we have been looking for. So please consider filling in these posts.

Save the Date! Our 43rd Annual General Meeting will be held on Wednesday, the 30th April, 2025. I would like to take this opportunity to inform you that after three fulfilling years, this will be my last AGM as President of this amazing cultural group. It is time to pass the baton to the next President. I hope to see you at the AGM so I can thank you in person for your support! Details will follow.

Chinese New Year is around the corner. To those who celebrate, I wish you and your loved ones a Happy Chinese New Year.  
GONG XI FA CAI!

With my warmest regards,  
Ay Ling Liem
